enzatec SOUND & VISION

12 MONTHS

enzatec SOUND & VISION

Limited Warranty

enzatec Incorporated hereby warrants to the original consumer purchaser only that this product will be free in normal use of any defects in materials and workmanship for a period of 12 months from consumer's original date of purchase directly from enzatec-authorized reseller. At its sole option, enzatec will repair or replace the defective product and promptly return it to you. In order for this warranty to be valid, the consumer must, at the time the product is returned, provide proof of purchase in the form of the original purchase receipt directly from enzatec-authorized reseller. If enzatec choose to replace the defective product, then enzatec reserves the right to replace the defective product with another product of the same model or a model of at least comparable quality and features in enzatec's sole determination.

This warranty is not transferable. This warrant does not apply in cases of abuse or misuse of the product, use contrary to enzatec instruction, ordinary wear and tear, disaster, negligent use, purchase from a party other than enzatec-authorized reseller, unauthorized repair, or modification of the product. Enzatec also hereby disclaims all liability for incidental, special, or consequential damages.

This Warranty Guide DOESN'T reserves any warranties that associated or included with this product, enzatec has discretion over the claim of warranty.

⚠ Safety Rules

1) Please follow the rules depicted in this manual closely to ensure your safety. Before using the speaker, we would strongly encourage you to read through this user manual.
2) Be more wary of any edges, uneven surfaces, metal parts, accessories and its packaging so as to prevent any possible injury or damage.
3) Keep this speaker out of reach of children. Take note that this speaker is not edible and should not be placed in your mouth.
4) Do not modify, repair or dismantle the speaker. Doing so may result in fires, electric shocks, complete breakdown of the speaker, etc. All of which, are not covered under warranty.
5) Do not use any diluents or volatile liquid to clean the speaker. Keep in mind that the surface of the speaker should only be wiped with a clean dry cloth.
6) Do not use this speaker in locations whereby there are high-temperatures or high humidity levels (For instance, bathrooms); ideally, the speaker should be used in a location free of dust and exposure to direct sunlight.
7) Do not insert foreign objects, such as pins, into this speaker.
8) Do not touch this speaker when your hands are wet as this may result in electric shocks.
9) Turn down the volume before/while using this speaker as sudden loud sounds may damage it.
10) Refrain from dropping the speaker as well as any collision with other objects.
11) Do not use this speaker in hazardous locations.
12) Should any abnormal situations or problems occur while using the speaker, discontinue use of speaker immediately.

FAQ

1. Why is there no power even when speaker is turned on?
Ans: Ensure the battery is being charged up to 4 hour. The LED will turn to red color when it starts charging. Please set the volume level of your MP3 to 60-70% of maximum for optimum performance.

2. There is no sound when playing music!
Ans: Check to see if the volume is adjusted too low. If it is too low, turn it up. Make sure that the 3.5mm stereo plug is properly connected.

3. Is this a USB audio device?
Ans: No, this is not an USB audio device. The USB plug is only for charging. Use the 3.5mm stereo plug for audio inputs.

4. How can I know that the speaker has been fully charged?
Ans: When the indicator LED turns to green from red, it's been fully charged.
